The Northwest Museum of Arts & Culture will celebrate Mother's Day Weekend with its annual Mother's Day Historic Neighborhood Tour. This year's tour will feature the interiors and exteriors of homes in Spokane's historic Pettet, Nettleton, and Sherwood Additions. These early Spokane streetcar suburbs boast a variety of home styles dating mostly from 1887 and 1920, and Nettleton's Addition forms the largest historic district in Washington State.

Tickets are available after May 1st at the MAC, 2316 West First Avenue during business hours. Tickets for MAC members are \$10, for non-members \$15.
