# The Browne's Addition neighborhood is being nominated to the Spokane Register of Historic Places as a Historic District

If passed, the Historic District designation will create guidelines requiring demolition review and design standards for new construction. This will help maintain Browne's Addition's unique sense of place within the City of Spokane.

## I own property in Browne's Addition, what does this mean for me?

For each tax lot you own in Browne's Addition, you will get one vote. For the nomination to pass and move to the Spokane City Council for approval, the vote requires a simple majority (50% + 1). If you own property in Browne's Addition please make sure to vote! Ballots will be mailed to you, with an estimated delivery of January 2019.

## How can I help?

The Browne's Addition Neighborhood Council is looking for volunteers to help distribute information about the upcoming vote and making sure it reaches all property owners in the neighborhood. Please visit [www.mybrownesaddition.org](http://www.mybrownesaddition.org) to find contact information.
